

# BUILD SAFE • BUILD UNION

WHAT THE UNION CONSTRUCTION INDUSTRY IS DOING ABOUT YOUR SAFETY

**Safety is our number one priority.** There is nothing more important than making sure that our workers who come to work in the morning go home safely to their families at night. Equally, there is nothing more important than protecting the safety of all New Yorkers who pass our construction sites on the way to work or to their homes.

#### ***That's Why We:***

**SUPPORT HIGHER STANDARDS** for all contractors to be granted building permits in NYC.

**PROVIDE OVER 1 MILLION HOURS OF TRAINING** for our 125,000 project managers, construction superintendents and skilled Building Trades workers.

**INVEST \$60 MILLION PER YEAR** in safety and skill training programs.

**SUPPORT PUBLIC POLICIES** designed to strengthen and enforce public and worker safety.
